OFFICE OF THE SUPERINTENDENT,

Dated, Bangalore, 6th February 1929.

No. 2.25/Genl 3

FROM

B PUTTAIYA, Esq., B.A.,
SUPERINTENDENT OF STATIONERY,
BANGALORE.

L 3506

To

N Madhava Rao, Esq., B.A., B.L.,
Chief Secretary to the Government of Mysore,
B a n g a l o r e

Sir,

Referring to your letter No.L 4868/M.L 2-28-74, dated the 25th January 1929, requesting me to furnish my opinion in the matter of the general permission asked for by the President, Municipal Council, Mysore, in getting certain forms printed locally in emergent cases, I have the honor to state that the M.A.N Form No 16 B now quoted in the letter addressed to Government has not at all been claimed in the indent for the year 1928-29, and this fact has also been duly intimated to the President, in this office letter No 811 dated the 3rd January 1929 (A copy of which is herein enclosed for kind perusal)

2 The other two forms, namely, Demand Notice and Retail and Wholesale license forms have not also been claimed in his indent. Neither their names nor their M.A.N. numbers are to be found therein Hence they were not supplied

3 As regards form No 39, it would have been supplied in the usual course when the indent forms of all Municipalities are taken for despatch in the Press Its special urgency was not intimated in any of the communications that have reached this office from the President, else copies would have been supplied beforehand It will be seen from the foregoing

foregoing explanation that the press is in no way responsible for the non-supply of the forms

4 I enclose the indent of the President for favour of reference and kind return It will be seen therefrom how meagre is the information furnished therein, and how few are the forms that have been claimed No wonder that when other forms got exhausted, there was recourse to a private press as the Government Press could not possibly be addressed to supply what was not claimed in the indent All the same, the offices have made it a point to complain only against the press while, as a matter of fact, the complaints arise on account of their own omission to claim the required forms in their indents and to intimate before hand what forms are urgently required. I have already brought this matter to the kind notice of the Government in this office letter No. 865 dated the 21st January 1939.

5 Here is another instantce of the President, Municipal Council, Mudbgere, who has forwarded his indent for 38-39, on 13th June 1938, i e , after a lapse of three months by which time the consolidation of the Municipal Indent for the whole State had been finished. This sort of pending indents all through the year will considerably upset all arrangements previously made I have enclosed this also for kind feference and return

6 If the Municipalities claim all the forms that are required by them in their indents, clearly indicating therein their respective names and numbers, and pointing out their urgency and send the indents in time and also intimate before hand which of the forms are required by them urgently, there will be no necessity to incur additional expenditure by getting the forms printed in a private press, nor to justify such printing on the supposed failure of the Government Press to supply them

I have the honor to be,
Sir,
Your most obedient servant,

Superintendent

&&&&&&&

In reply to your D O No G T 1113, dated 20th December 28 regarding the supply of certain M A M Forms, may I write to inform you that M A M 16 B and distress warrant forms have both been not claimed in your indent for 28-29, and as such have not been printed and for supply to your office Form No M C M 10 is not a general form to be printed and supplied to all the municipalities, but anyway the same will be printed and supplied if a sample is furnished

As regards M A M form No 50 as per sample sent from your office, it is not prescribed in the Municipal manual, 9 books of the same have, however been supplied on 22nd July 1928 for the current year I request that your office may be kindly instructed to claim the required forms and registers in the indent instead of demanding on casual requisitions as it will upset all arrangements made and put the press and your office to considerable delay and inconvenience
